

## Year 7 Catch-Up Premium

### **Year 7 Literacy and Numeracy Catch-up Premium**

The DfE has made available additional funds to schools to improve the progress of students, known as the Year 7 Catch-Up Premium. Bentley Wood High School receives Year 7 Literacy and Numeracy Catch-Up Premium to improve the attainment of pupils who have achieved below 100 in reading and/or mathematics at the end of Key Stage 2.

### **Objective :**

To improve progress and attainment of students in English and/or mathematics who have not achieved above 100 in reading and/or mathematics at Key Stage 2 and thus ensure full access to the secondary curriculum.

### **English Catch-Up Intervention 2018/19:**

Intervention:	Detail:
Assessment and testing	GL tests and Tests used to further analyse and make interventions in regards to English attainment data analysis
Toe by Toe	Individual tuition: students receiving one to one literacy support using the Toe by Toe reading/literacy scheme. Students enhancing literacy provision with one to one literacy – taking place during form time
Graduate Teaching Assistants	In class support: GTAs used in classrooms to support students who have been identified as needed additional literacy support. GTAs working closely with English teachers in order to enhance curriculum for targeted students and also further progression.
Additional Literacy Classes	Intensive small-group tuition: English trainee to lead a literacy session for targeted students.
Book Cub/ literacy activities	Students invited by the librarian to take part in book clubs and literacy visits to local library/meet authors
Co-teaching	Additional English staff deployed into curriculum lessons to support learning of student identified.

## Year 7 Catch-Up Premium

### Maths Catch-Up Intervention 2018/19:

Intervention:	Detail:
Additional Maths lessons	Intensive small-group tuition: Maths KS3 leader to lead additional Maths intervention for targeted students
Assessment and testing	GL tests and Tests used to further analyse and make interventions in regards to Maths attainment data analysis
MathsMaker	External services and materials: MathsMaker programme used to enhance student progress. Sixth Formers to support
Homework Club	Teaching Assistant to support students with specialist homework support.
In class support	Specialist Year 7 Achievement Leader working with SENCO in a small group setting to support the progress of targeted students in Maths.

<b><u>Total Costs:</u></b>	
Assessment and testing (Maths and English)	£2000
Toe by Toe	£2000
Graduate Teaching Assistants	£2000
Additional Literacy/Numeracy Classes	Funded by school
MathsMaker	John Lyons Funded
Specialist Achievement Leader Y7	£9000
Co-Teaching	£8000
<b>Total:</b>	<b>£16,000</b>

## Year 7 Catch-Up Premium

### Impact:

These results have been calculated from end of year assessments:

#### English :

**30 students in total for English catch-up 2018/19**

30 students have met/exceeded thresholds

#### Maths:

**33 students in total for Maths catch-up 2018/19**

26 students have met/exceeded thresholds

7 students require additional support

## Year 7 Catch-Up Premium 2018-2019

### Impact

Using Y7 Exam Grades	Catch-Up Premium Students	Whole Cohort
End of Year Average Grade - English	2.83	4.05
End of Year Average Grade - Maths	1.63	3.30
% of students at grade 2+ <u>En</u>	87%	96%
% of students at grade 2+ <u>Ma</u>	39%	84%

Expectation for the end of KS3 is that students achieve, on average, grade 2.

### Targeted support continued into Year 8 for students who had not reached the expected thresholds:

#### Additional interventions across subjects to include:

- Mentoring
- One to one support
- Personalised interventions from teachers
- Training and CPD enhanced for staff
- Parental engagement/support
- Pastoral support
- Emboldened curriculum
- TA support
- Additional teachers in the classroom
- SEND students are given additional literacy-focused support to minimise any knowledge gaps
- Hegarty Maths
- Reading support
