## Our School

### **Learning today: leading tomorrow**

At Bentley Wood High School for Girls we are proud of our fine record of academic achievement within our safe, caring, stimulating environment where pupils learn happily and well. We encourage each girl to develop a wide range of skills and interests, to achieve her personal best and to work co-operatively with consideration for all members of our learning community at all times.

As a single sex school, we recognise that research has shown that our environment empowers girls to maximise their potential, participate fully in all areas of school life and achieve their very best.

Bentley Wood High School is a rich and diverse community. We celebrate our diversity and welcome further opportunities to learn from each other. Our partnership with parents is a strength of the school. Parents consistently provide positive feedback and are very supportive of the school through our Parent Voice group.

We are extremely lucky to be in a school in such a beautiful natural setting. Bentley Wood High School has been described by parents as the 'hidden jewel in the crown' however; our most important treasures are our students and staff.
