**Learning Today: Leading tomorrow**

# Our School

## Learning today: leading tomorrow

At Bentley Wood High School for Girls we are proud of our fine record of academic achievement within our safe, caring, stimulating environment where pupils learn happily and well. We encourage each girl to develop a wide range of skills and interests, to achieve her personal best and to work co-operatively with consideration for all members of our learning community at all times.

As a single sex school, we recognise that research has shown that our environment empowers girls to maximise their potential, participate fully in all areas of school life and achieve their very best.

Bentley Wood High School is a rich and diverse community. We celebrate our diversity and welcome further opportunities to learn from each other. Our partnership with parents is a strength of the school. Parents consistently provide positive feedback and are very supportive of the school through our Parent Voice group.

We are extremely lucky to be in a school in such a beautiful natural setting. Bentley Wood High School has been described by parents as the 'hidden jewel in the crown' however; our most important treasures are our students and staff.

**I very much look forward to meeting you.**

Dr Janice Howkins OBE

Headteacher

# Job Description: Teacher of Mathematics with TLR KS5

Purpose:	To lead the delivery of a key stage of provision in Mathematics under the overall direction of the Head of the Mathematics.
Responsible to:	Head of Department
Responsible for:	The post holder will be responsible for the teaching and support staff allocated to the key stage area.
Working conditions:	These will be as specified in the latest <a href="#">School Teachers Pay and Conditions Document (STPCD)</a> The post holder will continue to meet and build upon, as appropriate: <ul style="list-style-type: none"><li>• The National Standards for ECT as laid down by the Department for Education, relating to:<ul style="list-style-type: none"><li>a) Professional values and practice</li><li>b) Teaching</li><li>c) Knowledge and understanding</li></ul></li><li>• The Induction Standards</li><li>• The Threshold Standards</li></ul>

## DIMENSIONS

The post holder will be responsible for the following, with reference to the national framework for middle leaders:

- The strategic direction and development of the curriculum in the subject/key stage area
- Teaching and learning
- Support the Head of Department in leading and managing staff
- Student progress and standards of achievement
- The efficient and effective deployment of staff and resources

### Specific responsibilities will include:

*Please note these are flexible according to the expertise and experience of the candidate.*

- To lead, manage, develop, and be accountable for the subject team and curriculum in a key stage or aspect of provision in order to ensure the highest possible standards of pupil achievement, personal development and well-being.
- Leading on the implementation of all new SOL and associated assessment points, providing a coherent flight path to Mathematics success.
- To be responsible for running a high quality enrichment programme.
- To lead on interventions, targeting relevant pupils in line with Department MER and in response to Data Captures.
- Working with individual teachers on the monitoring of progress in their classes and the co-ordination of targeted intervention for underachieving students, including strategies to identify and monitor these students.
- To support other literacy strategies across Mathematics.
- To be accountable for the strategic development of strategies for more able pupils via a range of teaching and learning strategies.
  - To liaise with the EAL and SEND staff to monitor support and interventions linked to Mathematics.
  - Liaison with the AHT/SENCO and teaching assistants in order to develop strategies for scaffolding up and the general enhancement of literacy.
- To set up and monitor Departmental tracking sheets and use them to inform interventions and identifying key groups such as Disadvantaged and SEN.
- Support the Head of Department in the efficient and effective deployment of staff and resources.

- To support Departmental Monitoring, Evaluation and Review, observations and relevant paperwork in line with school policy and as requested by HOD / SLG.
- Research into new developments within Mathematics: investigating and piloting new initiatives in resources, class texts and teaching strategies.
- Liaison with school librarian.
- Working with the Head of Department and other post holders to ensure fluid transitions between key stages and appropriate Information, Advice and Guidance.
- To share good and outstanding practice by running staff training sessions as appropriate.
- To ensure effective communication with parents/carers, so they are kept up-to-date with assessment and curriculum developments and their children's progress.
- To maximise achievement by supporting with examination entries, helping to ensure that they are made accurately; to assist with the management and conduct of examinations.
- To support Head of Department in implementing behaviour management support for the team.
- To assist the Head of Department in setting relevant cover work in the absence of the class teacher and to monitor the delivery of cover work.

## **ACCOUNTABILITIES**

### **The strategic direction and development of the subject**

- To contribute significantly to an annual subject development plan, which contributes to the achievement of the School Improvement Plan, and which involves all the subject staff in its design and evaluation.
- To set expectations and goals for colleagues and pupils in relation to standards of achievement and behaviour.
- To represent the department in the wider school community and liaise with the rest of the school, governors, partner schools, the Local Authority, further and higher education, industry, outside agencies, examination boards etc.
- To keep up to date with national developments in the subject area and teaching practice and methodology.

### **Teaching and learning**

- To contribute significantly to the leading of the development and implementation of effective teaching and learning strategies, including ICT-based developments and new technologies.
- To contribute significantly to leading the development and implementation of effective department assessment policies, within the framework of those for the whole school.
- To promote and support extra-curricular activities, which enrich and support the learning and experience of all pupils, and increases their participation in school life.
- To ensure homework is set in line with school policy, recorded on Teams.

### **Leading and managing staff**

- To support/challenge and professionally develop staff so that they are effective in their role(s) and provide high quality teaching and learning; the above to include participating in and leading the school's programmes of staff training and development.
- To ensure that Performance Appraisal is carried out according to school and national regulations and that staff receive regular feedback, which supports progress against their PM objectives.

### **Pupil progress and standards of achievement**

- Within the framework of whole-school policies, to set and monitor appropriately challenging subject targets for students, which will make a measurable contribution to the fulfilment of those for the whole school; to manage interventions to maximise pupil progress.
- To assist with the management and conduct of examinations.
- To ensure effective communication with parents/carers, so they are kept up-to-date with curriculum developments and their children's progress.
- Writing reports on pupils and attending meetings with parents.

### **The efficient and effective deployment of staff and resources**

- To manage efficiently the available resources of staff, space, finance, and equipment within the limits and guidelines laid down.
- To provide a stimulating environment, including maintaining the content of displays that promote interest and learning.

## Other Specific Duties

- To undertake the above responsibilities in addition to those held by a standard scale teacher at the school.
- To undertake any other duty as specified by the STPCD not mentioned in the above.
- Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task may not have been identified; therefore employees will be expected to comply with any reasonable request from a manager, including ad hoc projects, to undertake work of a similar level that is not specified in the job description.

The job description is current at the date shown, but, in consultation with you, may be changed by the Headteacher to reflect or anticipate changes in the job commensurate with the grade and job title.

---
