

24th July 2023

Dear Parent/Guardian,

Year 13 Examination Results Day – Thursday 17th August 2023

We would like to give you the details for the collection of the AS, A Level and BTEC Level 3 results this summer. Students are invited to come to school from **10:00am** on **Thursday 17th August 2023** to collect their examination results, except for those that require extra support.

If students have applied for University they will be able to access information from UCAS regarding whether their application have been successful from 7:30am on Thursday 17th August. If you have not gotten into a University of your choice or not happy with UCAS and want to change course please arrive in school from 8:00am where support will be available. The earlier you are in school, the more options you will have. I must stress that this additional window of opportunity from 8:00am, is only for students who require specific advice and guidance for using the clearing process.

All other students who have checked UCAS and seen they have been offered a University place and are happy should arrive from **10:00am**.

If a student is unavailable to collect results on this day, please provide the Examinations Officer, Ms Shah, with a stamped address envelope. The examination results can then be posted. Alternatively, if a student wishes for someone else to collect the results on their behalf, they will need to provide a letter or email to this effect with the name of the person collecting the results to the examinations office. This person must bring a photographic ID with them. Under no circumstances can results be given out over the telephone.

Finally, on behalf of the whole Sixth Form team, I would like to wish all students every success in their examinations and a restful summer holiday.
