- The principles of decision making within The Academy Trust.
- The scheme of delegation within The Academy Trust.
- The respective roles of the directors, Local Committee, and the Headteacher.

1. Introduction and statement of intent

3. The Academy Trust believes that:

- a. The Board of Directors should focus upon Trust strategy and policies to enhance student performance, operational efficiency, and learning between academies.
- b. Strategic / policy decisions affecting an individual academy should be taken by Local Committee.
- c. Operational and managerial decisions should be delegated to the Academy Headteacher.
- d. The Headteacher should delegate operational decisions among his/her staff with a view to keeping decision making as close as possible to the operational impacts as possible.

2. Scope and applicability

4. This policy outlines the framework for decision making within the Academy Trust. It applies to all directors, members of LCs, and staff.

3. The Articles of Association

5. The following are the relevant clauses from the Articles of Association that outline what can, and cannot, be delegated.

- Clause 93: "Subject to provisions of the Companies Act 2006, the Articles and to any directions given by special resolution, the business of the Company shall be managed by the Directors who may exercise all the powers of the Company."
- Clause 100: "Subject to these Articles, the Directors:
 - may appoint separate committees to be known as Local Governing Bodies for each Academy; and
 - may establish any other committee."
- Clause 101: "Subject to these Articles, the constitution, membership and proceedings of any committee shall be determined by the Directors. The establishment, terms of reference, constitution and membership of any committee of the Directors shall be reviewed at least once in every twelve months. The membership of any committee of the Directors may include persons who are not Directors, provided that (with the exception of the Local Governing Bodies) a majority of members of any such committee shall be Directors. Except in the case of a Local Governing Body, no vote on any matter shall be taken at a meeting of a committee of the Directors unless the majority of members of the committee present are Directors."
- Clause 105: "The Directors may delegate to any Director, committee (including any Local Governing Body), the Principals or Chief Executive Officer (where one is appointed) or any other holder of an executive office, such of their powers or functions as they consider desirable to be exercised by them. Any such delegation shall be made subject to any conditions the Directors may impose, and may be revoked or altered."

- Clause 106: “Where any power or function of the Directors has been exercised by any committee (including any Local Governing Body), any Director, the Principals or Chief Executive Officer (where one is appointed) or any other holder of an executive office, that person or committee shall report to the Directors in respect of any action taken or decision made with respect to the exercise of that power or function at the meeting of the Directors immediately following the taking of the action or the making of the decision.”
- Clause 107: “The Directors shall appoint the Chief Executive Officer (where one is appointed) and the Principals of the Academies. The Directors may delegate such powers and functions as they consider are required by the Chief Executive Officer and the Principals for the internal organisation, management and control of the Academies (including the implementation of all policies approved by the Directors and for the direction of the teaching and curriculum at the Academies).”

6. The Local Committee cannot delegate any functions relating to:

- the constitution of the Trust;
- the appointment or removal of the chair and vice-chair;
- the appointment of the governance professional;
- the suspension of directors;
- the delegation of functions;
- the establishment of committees.

7. The Academy Trust uses the term Headteacher rather than Principal.

4. Responsibilities under the policy

Board of Directors

8. The Board of Directors is able to exercise all of the powers of The Academy Trust. It is responsible for the performance of the Trust.
9. The Board of Directors will offer support, constructive advice, a sounding board for ideas, a second opinion on proposals and help where needed, but may also challenge, ask questions, seek information, improve proposals and so seek to arrive at the best solution for the Trust.
10. The Board must designate a named individual as its accounting officer. The accounting officer is responsible to the Board for the overall management of the Trust and personally responsible to Parliament for the resources under their control.
11. In accordance with the requirements of the Academy Trust Handbook the Trust shall appoint a Chief Finance Officer (CFO) to lead the Finance Department.

The Board meets at least three times each year and has overall responsibility for the finances of the Trust and exercises this through approval of the budget, the scheme of delegation and the audited accounts. The Finance Director takes responsibility for preparing the budgets. Consolidated management accounts are provided on a monthly basis and presented to each meeting of the Trust Board and the Accounting Officer and Chief Finance Officer attend and advise meetings of the Board and Finance and Site Committee. Following scrutiny the Trust Board is responsible for approval of the budget return prior to submission to the ESFA. The Board also sets and monitors key financial indicators for the Trust. The Board also has overall responsibility for pay policy and setting executive pay. Any change to the headteacher pay ranges applied in any Trust school must be approved by the Trust Board.

Each committee will establish its clerking arrangements.
17. The composition of any Local Committee of any academy within The Academy Trust must meet the following minimum criteria. It is for that LC to determine its own structure beyond this minimum. This minimum establishes a principle that parents and staff (including the Headteacher) must collectively constitute a majority of the core composition of the LC (excluding any addition members appointed by the Board of Directors in response to concerns about performance or governance); this principle must be adhered to.

19. A committee may choose to establish its own committees; any such committee will act in an advisory capacity to the committee that established it.

For these purposes the directors shall delegate those powers and functions required by the Headteacher.

21. The Headteacher will formulate aims and objectives and policies and targets for the LC and directors to consider, and to report to the LC on progress at each meeting in accordance with a schedule drawn up annually with the Chair of the LC.
